Our Social Responsibility - Partnering for Community Resilience

Our CSR initiatives span across several critical areas of human progress, including healthcare, hunger and poverty eradication, education, environmental sustainability and sports promotion. This year, we also contributed funds to PMCARES towards India's fight against COVID-19.

Tata Community Initiative Trust - The Company joined hands with Tata STRIVE a CSR program of Tata Community Initiatives Trust, we funded students across two skill development programs: electrical wireman course in Hyderabad and beauty advisor course in Mumbai

Education and skill proficiency can empower communities to become self-reliant, build a better future for themselves and foster self-respect. In keeping with this belief, we extended support to Kalpatru Society to enable children from underprivileged backgrounds continue with their education

we also partnered with ISKON to serve meals to migrant laborers and daily wage workers. Fresh hot meals were delivered to more than 2 Lakhs homeless people every single day during the nationwide lockdown.

we are encouraging children and budding talent to pursue sports and realize their full potential. This year, we associated with Zak Sports Maidan Pvt. Ltd. to nurture cricketing talent in the country.

We are committed to improving the surroundings where we live and work. We provided financial support to GVRKSH for conducting plantation drives and sharing knowledge on waste management for a greener, cleaner and better tomorrow
